Claims – Vice President

RE: Gordon Stockman

To Whom It May Concern:

I am pleased to write this letter of recommendation on behalf of Gordon Stockman. I am currently working as the Vice-President of Claims for Interboro/Maidstone Insurance Company and I have known Mr. Stockman for over twenty years. Mr. Stockman has worked as an independent property adjuster for Interboro/Maidstone for the majority of those years. Mr. Stockman is a hard working individual who knows the property adjusting business inside and out. His experience includes large losses, catastrophes, insurance fraud, criminal investigations and expert testimony. He has handled our homeowner claims promptly, thorough and in a courteous manner. In addition to the normal work hours, Mr. Stockman is available evenings and weekends to assist the insured's. Mr. Stockman has demonstrated his dedication to the company time and time again. Our claims examiners know that when a case is assigned to Mr. Stockman their file will be adjusted in a most professional manner. His strong work ethic has helped him achieve a number of successes in his career and he is highly respected by his peers.

For the above reasons, I would highly recommend Mr. Stockman be added to your staff or added to your vendor panel as an independent property claims adjuster.

Sincerely,

Albert Brewer, Jr.

Vice-President of Claims
